

Pharmacy Residency Application Guide

Thank you for your interest in the Pharmacy Residency Programs at WakeMed Health & Hospitals. We hope you found our webpage helpful and informative. If you have any additional questions about our program or the application process, please contact the program director via email, or reach out to one of our current residents.

We require all interested applicants to submit an application through PhORCAS. Upon receipt of your completed application, our Residency Selection Committee will review your application and extend invitations for an onsite interview to qualified individuals. This onsite interview provides our candidates the opportunity to tour our hospital and facilities, meet with program directors and preceptors, and enjoy lunch with our current residents.

Application Process

- Completed application submitted through [PhORCAS](#)
- Letter of intent (approximately 1 page)
- Current Curriculum Vitae
- Official transcripts of all professional pharmacy education
- PhORCAS Standardized Recommendations
 - Three (3) recommendations are required, with at least two (2) being from clinical preceptors
 - If a fourth recommendation is submitted, it will not be evaluated
- National Matching Services/ASHP Residency Matching Program Number
- Current photograph (optional)
